SIR

I have the honour to inform you that a grant of Rs 15/- a month was sanctioned for one year for the first time to the aided English school Belakavadi, Malavalli Taluk by Government Order No 11885-6/Edn 265-07-2 dated 14th May 1908, in accordance with the principle laid down in Government Order No 9165-75/Edn 168-06-2 dated 3rd April 1907, and the same was renewed for one year more with effect from 1st December 1909, as the people renewed their contribution in advance towards the cost of the school for another year It is reported that the school was closed for 7 months and 5 days from 1st January to 6th August 1910, owing to the prevalence of plague till the 15th May 1910, the absence of the permanent master till 6th August 1910 and the inability of the Manager to procure the services of a competent man during the absence of the permanent master The establishment charges for the above period have not been drawn by the Manager as no teacher was maintained during the period The Manager prays that the amount thus unspent may be permitted to be regarded as part payment towards the annual contribution for the renewal of grant for another year and that he may be allowed to deposit the remaining amount in the taluk treasury, and the Inspector of schools supports the Manager's prayer.

2 As the Manager has not incurred any expenditure in maintaining the school during that period, I recommend that the Manager may

may be allowed to deposit only Rs 48-0-3 towards the cost of the school for another year from 1st December 1910, utilising Rs 71-9-9 being the balance out of Rs 120/- already deposited in his
